CONSUMPTION CANNOT BE CURED!

CONSUMPTION CANNOT BE CURED:

Those who say it can are imposters and quacks. Still it may be prevented or its progress stayed, by using Dr. Peters' Cough Lozenges. Begin in season. Do not neglect a slight cough until consumption has commenced its ravages. A delay of a few days often prove fatal. Price 25 cents per box.

Peters' Cough Lozenges have performed some of the most remarkable cures on record. One trial of them is more satisfactory than a column of certificates.

THE GREAT OBJECT GAINED!

Peters' Medicated Lozenges are the most valuable discovery of the 19th century. They are entirely pleasant to the taste, and more efficient than any other pleasant to the taste, and more efficient than any other medicine. These Lozenges are the result of long continued and patient investigation and experiment, conducted in concert by some of the most distinguish-ed physicians in the Union, who believing that some of the best known remedies might be prepared in a palatable form, have directed their labors to that end, till they have produced preparations in the popular form of Lozenges for nearly every disease incident to the human system.

To parents we would say, do not be without these Lozenges at any time—attend to these suggestions as you value the lives of your children.

PETERS' PILLS.

TO THE WHOLE WORLD. It is admitted by all who have used them, (and who has not?) hat Dr. Peters' Vegetable Pills are the most unrivalled medicine ever discovered by the insensity of man. They are a sovereign cure for the following complaints:—Yellow and billious fever and ague, croup, liver complaint, sick headache, jaunice, asthma, dropsy, rheumatism, enlargement of the spleen, piles, colic, female obstructions, heartburn, furtourne, pages, dannier, described in the speech. furtongue, nausea, distension of the stomach and bowels, incipient diarrhos, flatulency, habitual costive-ness, loss of appepite, blotched or sallow complexion, and all cases of torpor of the bowels, where a ca-

tharic or an aperient is needed.

They are exceedingly mild in their operation, producing neither nausea, griping, nor debility.

Dr. J. G. Smith, of Woodstock, Va., says—"They are a better Pill than I can make." He recommends their use.

their use.

The agent at Strasburg, Va., says he supplies families for 30 miles around with Peters' Pills, and they perform such remarkable cures that they are prefer-red to every other medicine

WORM LOZENGES. Dr. Peters' Worm Lozenges are the surest and afest worm destroyer ever discovered.

It is estimated that, in the United States, 100,000

satest worm destroyer ever discovered.

It is estimated that, in the United States, 100,000 children die yearly from the effect of worms alone. This vast mortality can be almost entirely prevented by the use of Peters' celebrated Lozenges. Thousands and tens of thousands pine away and die without suspecting the real disease. The following are a few of the symptoms: headache, pale lips, flushed cheeks, disturbed dreams, feverishness, thirst, bad taste in the mouth, offensive breath, itching of the nostrils, pain in the stomach, nausea, unnatural appetite, swelled stomach or limbs, sense of something rising in the chest, &c.

If Mrs. Catharine Ann Briggs, Cherry street, Philadelphia, has a little daughter who had been in a decline for several years. At times she would eat voraciously, and sometimes eat nothing at all; and she was fast wasting away. Her symptoms were so unusual and centradictory that the dectors knew not what to do; but do what they would she continually grew worse, and reluctantly they declared she must die. At the request of a friend, the mother at this stage procured a box of Peters' Worm Lozenges. The first dose satisfied all that worms was the cause of all the child's sufferings, and two boxes effected a perfect cure.

perfect cure.

Mr J. W. Carpenter, merchant, Roosevelt street,
New York, says Dr. Peters' worm lozenges possess
more merit than the Doctor claims for them. He
has used them in his family with success when every

ther medicine failed other medicine failed.

Wherever they have been used, they are preferred
to all other remedies. In fact Dr. Peters and his
distinguished associates, possessing many receipts of
great value, selected from each the most valuable

parts, and they confidently say those lozenges cannot be improved. CORDIAL LOZENGES.

MERICAN CROWN WINDOW GLASS-

A manufactured in the village of Reiford, county of Clinton, and State of New York.

To the Redford Crown Glans has been awarded the first Premium of the American Institute in the city of New York for five successive years, and has received a gold medal in commendation of its superior merits.

This Glass is made from white flint sand, obtained in the vicinity of the works and is the sand, obtained

received a gold medal in commendation of its superior merits.

This Glass is made from white flint sand, obtained in the vicinity of the works, and is the only Crown Glass made from that species of sand. It is capable of standing every change of climate, nor will it lose its lustre by age.

The Redford and Saranac Crown Window Glass are distinguished from ordinary Glass by the ancommon evenness and heauty of surface, the super of transparency and lightness of color, the great thickness, and the general excellence of the matezials which compose them. The surface not being polished after being blown, retains the enamel, brilliancy, and hardness, and is not subject to the objection so often applied to Plate Glass, of being easily defaced and permanently bedimmed by dust; being made of extra thickness, will, without injury, withstand violent winds, hail storms, jars of camon, &c. Its use, in the end, will prove more economical, independent of its adding so much to the beautiful appearance of buildings.

Specimens of this deservedly popular Glass may be seen in the New York Exchange and Custom House, Howard's Hotel, Bronson's Buildings, Broadway, Centre Market, and a great many private residences and stores in various parts of the city; also, in the Exchange and Custom House, Howard's Hotel, Bronson's Buildings, Broadway, Centre Market, and a great many private residences and stores in various parts of the city; also, in the Exchange and Custom House, Howard's Hotel, Bronson's Buildings, Broadway, Centre Market, and a great many private residences and stores in various parts of the city; also, in the Exchange and railroad cars, and given entire satisfaction. It is be ieved that the above will suffice to prove that this Glass stands pre-eminent, and that it deservedly merits the approbation of builders and consumers of Glass.

The Saranac Crown Glass is most used in stores and buildings of the second order, green houses, &c. where strength and clearness are particularly desired, and will range about 33 jd per cent. c
